

## TUESDAY LADIES EVENING LEAGUE RULES

1. Play may be done anytime on Tuesday, but evening play is encouraged. You must always play with another member of the league for your score to count for the weekly event or flag prize. Tee times may be made 1 week prior to play.
2. Put \$1 in the slot designated for our league and sign the roster that will be located by the slot for the \$1. This money will be used to pay-out the prize money for that week for the event. Prize money will be paid out at the end-of-the-year dinner for the season.
3. The "Red" tees will be used. Players 60 and over may choose to play from the "Gold" tees. Players must choose either the "Red" or "Gold" and not play from both tees.
4. Play ball up anywhere. You may move your ball 1 scorecard length.
5. Record your putts for each hole.
6. Maximum of 10 strokes per hole, if you have reached 10 strokes, pick-up your ball and putt your ball from the furthest spot of another player in your group is putting from.
7. If you lose a ball don't spend more than a couple of minutes looking for it. Record a 1 shot penalty for any lost ball. Hit another shot from the closet point to where you thought you lost the ball.
8. If your ball goes in the water on holes 4, 12, 15 or 17, please add an additional stroke and hit again. If your next shot goes in the water, please pick up your ball and carry your ball to the other side of the water and count an extra stroke. For example, if you hit your ball in the water on 12 on your 2<sup>nd</sup> shot, hit another ball, that ball will be counted as your 4<sup>th</sup> shot. If that shot goes in the water, carry your ball across the water and play another ball, you will be hitting your 6<sup>th</sup> shot.
9. At the end of the round, sign your scorecard for the group and put in the slot that you paid your \$1 in. The events coordinator will collect the scorecards and send out an email to let everyone know who the winners are for that week. Record your score in the Central Links website and it will calculate your handicap. Please make sure to do this so your handicap can remain accurate.
10. The events coordinator will also keep track of any pars, birdies and chip-ins that you record each week. You will receive money back at the end-of-the-year for each one that you record, but only once per hole.
11. Keep pace with the group in front of you. If you are a slow group, please let the group behind you play thru.
